

# NORTHERN OHIO PGA JUNIOR GOLF SCOREBOARD PAIRED EVENTS

In addition to our 36-hole events, Junior Golf Scoreboard allows our tour to combine two 18-hole events in order to receive JGS rankings. Here are those paired events for the 2025 season. Please keep in mind that you must play in both events, AND a minimum of 5 competitors from your age division must play in both events to receive a JGS ranking. If you have any questions, please contact us at the NOPGA office.
